ROSTER

SIERRA CLUB

SOUTHERN CALIFORNIA CHAPTER

Room 445 Wilcox Building
206 South Spring Street
Phone VAndike 9851 Los Angeles

TO EXPLORE, enjoy, and render accessible the mountain regions of the Pacific Coast; to publish authentic information concerning them; to enlist the support and co-operation of the people and the Government in preserving the forests and other natural features of the Sierra Nevada Mountains.

This Roster is issued for the personal use of Club members and is not to be loaned or used as a mailing list or for commercial purposes without the written consent of the Executive Committee.

(Signed) Executive Committee, Southern California Chapter Sierra Club.

Of the 1300 roster cards sent out requesting the name, address, and latest telephone number, but 400 were returned with this information. Weeks of checking and verification were expended on the remainder, in order that the roster might be as nearly correct as possible. This has somewhat delayed the date of issue.

It is the intention to issue in about six months a supplementary sheet, containing the names of new members and all changes in addresses and telephone numbers. Will everyone co-operate by promptly mailing in such changes?

The work of all your officers is entirely voluntary. Will you assist in so far as possible?

Katherine H. Collins, Financial Secretary

Mabelle McCalla Stocking,
Corresponding Secretary
